I have just learned that W is actually Alton Brown's chiropractor, Vickie Ng.

Hey, Platypus, you don't suppose she's a relative?

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

His *chiropractor*??

Okay, first, let me fully engage with the scene in my head. Visit to chiropractor.

crunch *pop* "Gah!"

"No whining, Brown."

"No, ma'am. Hey, want a guest spot on my cooking show?"

I mean, seriously! How does this happen?

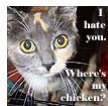

But I totally plan to saunter down the hall with muffins tomorrow and ask if Mrs. Ng and the boys have relatives in the medical professions.

See, if you had been over here watching Good Eats and baking me a potato, the way you should be, you could have seen it for yourself.
